Editorial: It is too bad that many unsuspecting players got tricked
 into what are called "Regular Games" and then have to find
 out 'too late' that they are Variants! Stop this FRAUD!

=====

Editorial: It is also a 'shame' that there are still some cheap game-
 masters that send you their zines without the protection of
 an envelope and because it is stapled and otherwise looks
 like more junk mail it is sent with the "Third class" mail
 like printed matter. Marking it first class does not ex-
 cuse this ignorance! Example: "La Guerre" takes six days to
 come about 200 miles because of this penny pinching stunt.
